

NAVIGATION ADVISORY NOTICE

RIVER NENE

DATE: 20 January 2020 – 20 March 2020

LOCATION: Wansford Lock area

DETAILS:

Please be advised that engineering works are being carried out to upgrade the existing sluice at Wansford.

While these works are being carried out there may be short-term and unannounced fluctuations in levels which should not impact on navigation in this area.

During these works the paddles within Wansford Lock may need to be used to offset increasing flows upstream of the lock. Notices will be placed if this is done however you are advised to exercise caution and do not enter the lock from downstream until paddles have been closed.

For more information contact Barry Peck, Site Manager, JBA Bentley on 07970 405676.

You can contact us at the Environment Agency on 03708 506 506 between 9am and 5pm, Monday to Friday and ask for the Waterways Team in the Lincolnshire & Northamptonshire Area.
