

# UPDATED NAVIGATION ADVISORY NOTICE

Environment  
Agency

## RIVER NENE

---

DATE: ~~20 January – 20 March~~ 22 June – 14 August 2020

---

LOCATION: Wansford Lock area

---

### DETAILS:

Please be advised that engineering works are now being carried out to upgrade the existing sluice gate at Wansford.

While these works are being carried out there may be short- term and unannounced fluctuations in levels which should not impact on navigation in this area.

During these works the paddles within Wansford Lock may need to be used to offset increasing flows upstream of the Lock. Warning notices should be placed by contractors if and when this operation has been carried out however, on approach from downstream you are advised to exercise caution and are to refrain from entering the lock until paddles have been closed.

For more information contact Francisco Lazaro, Site Manager, JBA Group, on 07583147950.

You can also contact us at the Environment Agency on 03708506506 between 9am and 5pm, Monday - Friday and ask for the Waterways Team in the Lincolnshire and Northamptonshire Area.
