Lilford Road Bridge

Please be advised there is a very large tree trunk in the navigation channel downstream of Lilford Road Bridge.

This obstacle is currently passable with care, however we advise exercising caution while doing so.

It is planned to remove this obstruction on Tuesday 8th Sept 2020 and request that navigation in this area is kept to a minimum until this notice has been rescinded.

We apologise for this inconvenience and will keep any delays to an absolute minimum.
