### DOG-IN-A-DOUBLET LOCK

Our priority is to keep our customers and staff during assisted lock passage during the Coronavirus pandemic. In order to do so, we are making the following changes to our service at the Dog-in-a-Doublet Lock on the River Nene:

- The Dog-in-a-Doublet Lock will re-open for restricted lock passage on 8<sup>th</sup> July 2020. Please make time to plan your journey and regularly check our Navigation Notices on [www.visitanglianwaterways.org](http://www.visitanglianwaterways.org). Lock passage must be booked by phone (please ring 01733 202219) a minimum of 48 hours in advance of arriving at the Dog-in-a-Doublet Lock. No other form of booking passage will be accepted.
- No payments will be taken at this site until further notice. Please purchase your boat registration direct from our Boat Registration Team by ringing 03708 506 506 (open Monday to Friday 8am to 6pm). Your craft must be properly registered for use on our waterways and you must provide the lock keeper with your registration reference number when you arrive on site for lock passage.
- Social distancing must be maintained at all times. Skipper and crew members must remain on their boat whilst at the lock. Please be patient, adhere to on-site signage and follow the lock keeper's instruction at all times.
- The lock office, grounds, lock keeper's bungalow and garden are all strictly closed to the public. Please do not approach any of these on foot.
- We are unable to provide any facilities, such as toilets and rubbish disposal, for the duration of the Coronavirus pandemic.

These changes apply immediately and will remain in place until further notice.

Please enjoy the use of the navigation in a responsible way. Stay alert and stay safe as we continue to respond to the challenges of coronavirus.
