RIVER NENE

DATE: 01 November 2020 – 01 April 2021

LOCATION: Update for Denford Lock only

DETAILS:

Our Winter Works Programme for 2020/2021 is a major investment in many structures along the River Nene, which will deliver significant and long-term benefits to the navigation. However, in order to deliver this, the closure of some locks will be longer than usual and we apologise for any inconvenience this may cause. Subject to weather and river conditions we aim that the river will be fully open for navigation by Easter 2021.
