

RIVER NENE

DATE: 14 January – 28 January 2021

LOCATION: Approx 350m upstream of Water Newton, left bank

DETAILS:

Please be aware that bank repair works will be taking place on the left bank of the River Nene, approximately 350m upstream of Water Newton at OS Grid Reference: TL 1697

These works will now start on January 14 and be completed by 28 January 2021.

These works should have little effect on navigation however, when passing the warning signs please reduce your speed to a minimum and obey the Contractors instructions while in the area.

For further information, please contact Paul Harvey at the Fen Group on 01945 860318. Alternatively, you can contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Waterways team in the Lincolnshire & Northamptonshire Area.
