

NAVIGATION ADVISORY NOTICE

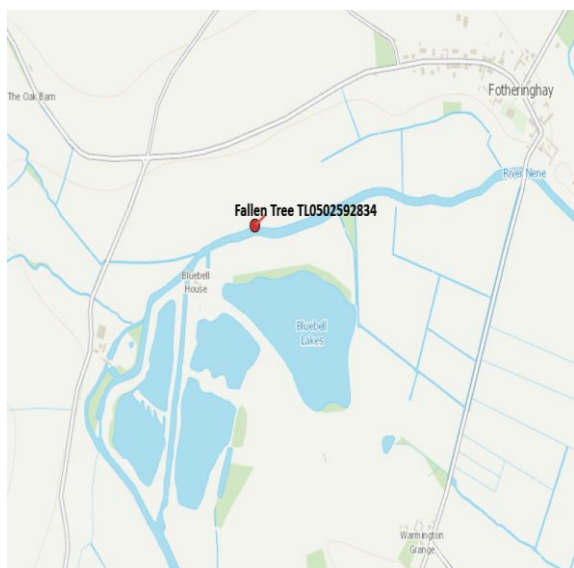

RIVER NENE

DATE: 19 July 2021 – Until Further Notice

LOCATION: Perio Lock Area – TL05025 92834

DETAILS:

Please be aware of a fallen tree in the above location, (approximately 900m downstream of the lock).

While it is currently passable, the channel in that area will be further restricted in the coming days as a wide beam will take up its private mooring directly opposite.

We have been in contact with the land owner who is looking to have this issue removed by the end of this coming weekend.

Please navigate with caution in this area until the obstruction has been removed, after which, this notice will be rescinded.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Waterways team in the Lincolnshire & Northamptonshire Area.
