

UPDATED
NAVIGATION ADVISORY NOTICE

RIVER NENE

DATE: **23 March 2022 – Until Further Notice**

LOCATION: **River Nene – Between Woodford and Denford Locks**

DETAILS:

Please be aware that there is a risk of a forced reduction to navigation depths as a result of the integrity of a short section of riverbank along the reach between Woodford and Denford Locks.

We would like to make you aware that boats can be locked through Woodford or Denford Lock, however, please do so with caution and please do not moor up in the area between the 2 locks. This area needs to remain clear for contractor equipment.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Waterways team in the Lincolnshire & Northamptonshire Area.
