

## NAVIGATION ADVISORY NOTICE

### RIVER NENE

---

**DATE:** 22 July 2022 – Until Rescinded

---

**LOCATION:** All Locks U/S of the river Nene

---

#### DETAILS:

Due to the continuing low river levels, we are now asking river users travelling upstream along the Nene, to leave the guillotine gate in the lowered position when passing through our guillotine lock sites.

This is a temporary measure to help conserve water resources during the current dry spell. We are reviewing the ongoing situation and will confirm when levels have returned to normal, and the guillotine gates can once again be left in their normal raised position.”

For further information, please call the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Waterways team in the Lincolnshire & Northamptonshire Area.

Katherine Briscoombe

Waterways Manager
