

NAVIGATION ADVISORY NOTICE

RIVER NENE

DATE: 19 October 2023 – Until Further Notice

LOCATION: RIVER NENE

DETAILS: Please be aware that due to the extreme weather forecast over the course of the next few days, Strong Stream Advice has been issued for the River Nene.

We would like to also make you aware that Abington and Weston Favell barrage gates have been closed for flood risk purposes.

Locks have been reversed to discharge flood water. We strongly advise against navigating whilst SSA is in force as there will be excess water in the system, above normal river flows and restricted headroom at some sites.

To sign up to our free Strong Stream Advice (SSA) messaging system, call us on 02030 255068 or email WaterwaysSSAAnglian@environment-agency.gov.uk

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Waterways Team in the Lincolnshire & Northamptonshire Area.
